**Course Objective**

**Texas Essential Knowledge and Skills (TEKS)**

- (1) **Communication:** The students communicate in a language other than English using the skills of listening, speaking, reading, and writing.
- (2) **Cultures:** The students gain knowledge and understanding of other cultures.
- (3) **Connections:** The students use the language to make connections with other subject areas and to acquire information.
- (4) **Comparisons:** The students develop insight into the nature of language and culture by comparing the student's own language and culture to another.
- (5) **Communities:** The students participate in communities at home and around the world by using languages other than English.

**Statement of Purpose**

In this class, you will be expected to obey the RRHS Code of Conduct and demonstrate a positive attitude and willingness to engage in the acquisition of Spanish each day. Consequences for not following the academic & behavioral expectations will follow the RRHS Response to Interventions.

**Classroom Rules**

1. Be in class on time and ready to learn.
2. Have all materials ready to use when the bell rings.
3. Use of cell phones is limited to instructional use only.

**Corrective Actions**

1. Reminder/redirections (verbal/nonverbal)
2. Students teacher conference
3. Call parents
4. Teacher assigned detention
5. Referral

**Chromebook Policy and Procedure**

1. Since we have primarily 9<sup>th</sup> - 11<sup>th</sup> grade students in Spanish 2, each will have his or her own Chromebooks. Other grade level students will be supplied with a computer from our floating laptop carts. Anytime a computer is being used in our classrooms, we will be actively and continually monitoring their use by walking around and observing the screens.
2. Most computer assignments in our classes will be of short duration and completed within one class period. We will often use our computers for repetitive drilling to reinforce the day's lesson. At the end of satisfactory completion of an assignment (as specified by the teacher), the student will email his or her results to the teacher. Feedback to the student can range

from grades for achieving a level required to assigning additional tutorial time to meet the requested level.

3. If a student is observed on a site not assigned in class, he or she will be taken off the computer for the day. An alternate assignment will be provided for class time and the computer assignment will have to be finished at home. A second offense will render the student unable to use the computer in class the remainder of the year.

**Routine Procedures**

1. Enter classroom calmly and sit in your assigned seat. Come prepared every day with computer, notebook, paper, writing utensil, and assigned work.
2. Each student should begin working on the warm up exercise and read the learning target, objectives, and criteria for success as soon as he/she enters the class.
3. Follow directions the first time they are given. Stay on task and use every minute wisely.
4. Stay in your seat until I dismiss class. Do not line up by the door before the bell.
5. When assigned to work in groups students will stay on task and complete their portion of the assignment.

**Grading, Retake & Late Work Procedures**

This class will follow the RRHS Grading Policy for grading, retesting, make-up work, missed assignments and assessments. No single assignment or assessment shall count for more than 30% of their total average. Please use Home Access to stay up to date on grades, missing work and attendance. Academic dishonesty (cheating on tests, copying another person's class work) is COMPLETELY UNACCEPTABLE.

**GRADE CATEGORIES & WEIGHT**

1. Formative Assessments: class work, knowledge checks, homework = 50%
2. Summative Assessments: Test and Projects = 50%

**LATE WORK:** Unexcused late work will automatically incur a 15-point deduction.

**RETAKES:** You may retake KNOWLEDGE CHECK and TEST grades below a 70 and retest up to a grade of a 70. Retakes must be scheduled with the teacher in advance to be done during tutorials, not during class. KC retakes are allowed up to five days after the quiz is returned and after a tutorial session.

\*There are **NO retakes for projects.**

**\*\*An alternative assignment will be given.**
